A BY-LAW

To authorise the Sale of Lands Within the City of Nanaimo upon which Taxes have been Due and in Arrears for Two Years.

WHEREAS it is expedient that all lands or real property within the limits of the Corporation of the City of Nanaimo upon which Municipal taxes have been due and in arrears for two years shall be sold, and the proceeds applied in reduction of such taxes:

Be it therefore enacted by the Municipal Council of the Corporation of the City of Nanaimo as follows:

1. The Collector of the Municipal Council of the Corporation of the City of Nanaimo is hereby authorised and directed, whosoever taxes on any land or real property have been due for two years preceding the current year, to submit to the Mayor of the City of Nanaimo a list, in duplicate, of all the lands or real property liable under the provisions of this By-law to be sold for taxes, with the amount of arrears against each lot set opposite to the same, and the Mayor shall authenticate such list by affixing thereto the seal of the Corporation and his signature; and one of such lists shall be deposited with the Clerk of the Corporation, and the other shall be returned to the Collector with a warrant thereto annexed, under the hand of the Mayor and the seal of the Corporation, commanding him to levy upon the land or real property for the arrears due thereon, with his costs.

2. It shall not be the duty of the Collector to make inquiry before effecting a sale of lands.

3. The Collector shall prepare a copy of the list of lands or real property to be sold, and shall include therein, in a separate column, a statement of the proportionate costs chargeable on each lot for advertising and for the commissions authorised by this By-law to be paid to him, and shall cause a copy of such list to be printed, for a period of one month preceding the date of such intended sale, in some newspaper published in the City of Nanaimo.

4. The advertisement shall contain a notification that, unless the arrears and costs are sooner paid, he will proceed to sell the lands or real property for the taxes on a day, a time, and at a place named in the advertisement.

5. The Collector shall, at least two months before the time of sale, also deliver to or deposit in the post-office to the address of the owner of such property which is to be sold for taxes as aforesaid, or to the agent of such owner, a notice in writing of the amount of taxes due, and that the property is to be sold for arrears so due; and in case the address of the owner or agent is unknown, a notice to the same effect shall be posted upon the land intended to be sold, and also, at least two months before the time of sale, post a notice similar to the advertisement in some convenient and public place, that is to say, at the Council Chambers, Nanaimo.

6. The day of sale shall be the thirty-third day after the first publication in a newspaper of such list, exclusive of the day of such publication, except in case the said thirty-third day shall fall on Sunday or holiday, in which case such sale shall take place on the following day at the Council Chambers in the City of Nanaimo, and shall begin at twelve o'clock noon.

7. If at any time appointed for the sale of the lands or real property no bidders appear, the Collector may adjourn the sale from time to time.

8. If the taxes have not been previously collected, or if no one appears to pay the same at the time and place appointed for the sale, the Collector shall sell at public auction so much of the land or real property as may be sufficient to discharge the taxes and all lawful charges incurred in and about the sale and the collection of the taxes, selling in preference such part as he may consider best for the owner to sell first; and in offering such lands or real property for sale it shall not be necessary to describe particularly the portion of the lot or section which shall be sold, but it will be sufficient to say that he will sell so much of the lot or section as shall be necessary to secure the payment of the taxes due, and the amount of taxes stated in the advertisement shall in all cases be prima facie evidence of the correct amount due.

9. If the Collector fails at such sale to sell such land or real property for the full amount of arrears of taxes due, he shall at such sale adjourn the same until a day to be publicly named by him, not earlier than one week and not later than three months thereafter, of which adjourned sale he shall give notice by advertisement in the newspaper in which the original notice was advertised, and on such day he shall sell such lands or real property for any sum he can realize, and shall accept such sum in full payment for such arrears of taxes.

10. If the purchaser of any property or parcel of land fails immediately to pay the Collector the amount of the purchase money, the Collector shall forthwith again put up the property for sale.

11. Immediately after every sale the Collector shall return a list of the arrears satisfied by such sale to the Clerk of the Corporation, and shall at the same time pay in the proceeds to the Treasurer of the said Corporation.

12. The Collector shall be entitled to five per centum commission upon the sums collected by him as aforesaid.

13. This by-Law may be cited for all purposes as "The Nanaimo Real Estate Tax Sale By-Law, 1897."

Passed by the Municipal Council on the 4th day of June, 1897.

24. Nothing in this by-law shall be construed to mean or be held to make it obligatory on the City to grant any licence to night or day scavengers, but the City Council may, if it should deem it advisable, employ all its night or day scavengers.

25. The cleaning, emptying or removing of the contents of any privy vault, sink or private drain shall be done in an inoffensive manner, and any scavenger having begun any such scavenger work shall, without any interruption or delay, finish the same, and shall in every instance leave the privy vaults, sink or private drain, in as good condition upon the outside as when the work was undertaken.

26. The Health Officer shall have power to enter upon any premises and examine any vault, sink, privy or private drain.

27. The contents of privy vaults, sinks or private drains so removed by any scavenger shall be conveyed in water tight tanks or vessels of such pattern and description as may from time to time be approved by the Health Officer, and shall be disposed of in such a manner, under the direction of the Health Officer, as to cause no offence; and tanks or vessels shall be kept clean and inoffensive when not in actual use.

31. Whenever it shall become necessary to empty any privy or privies, or remove any night soil from any premises within the City, or on cleaning yards, cellars, back kitchens or other premises whatsoever, if any impure or offensive effluvia should exist, chloride of lime, unslacked lime, nitrate of lead, potash or common salt should be used by the person or persons emptying such privy or privies or removing such night soil from such premises, as shall render the effluvia as inoffensive as possible.

32. The City Council shall have power to licence or employ from time to time as many persons, upon such terms and with such conveyances and appliances as they may deem necessary, for the removal of garbage, offal, swill and ashes.

33. Every person so licensed shall be deemed a day scavenger, and shall at all times be subject to the rules and regulations of the health officer and the by-laws of the City, and shall pay a similar fee and provide like bonds as provided for by clause 23 of this by-law; provided, however, that one scavenger licence shall

permit any person to carry on the work of both night and day scavenging without extra fee.

34. Any cart, waggon, or other vehicle used or intended to be used for the purpose of conveying swill, offal, or garbage, shall be perfectly tight and covered so as to prevent the contents thereof from leaking and spilling, and shall be of such pattern and description as may from time to time be approved by the Health Officer, and such cart, waggon or other vehicle, when not in use, shall not be allowed to stand in any highway, street, lane, alley, public place or square.

35. That the fees to be charged by day scavengers for any matter or thing allowed to be dumped or deposited by the scavenger or scavengers licensed by the City, within the limits of the City, shall be a sum not to exceed \$1 for a full load and 75 cents for half a load, or less than half a load, for a double team, and half such rates for one horse load, and in charges any excess of those so made shall be considered a breach of this by-law.

36. Licences of day and night scavengers shall be held by them subject to their observing and faithfully performing the conditions contained in this by-law, and the regulations that may from time to time be imposed by the Health Officer, and in the case of the non-observance of any of the said conditions and regulations the said licence may at any time be summarily revoked and cancelled by the City Council.

37. For any and every violation of the provisions of this by-law a penalty not exceeding one hundred dollars may be imposed by the Police Magistrate, or any two Justices of the Peace having jurisdiction over offences against the by-laws of the Corporation of the City of Nelson, convicting, and in default of payment of said penalty and costs, the offender may be committed to the common gaol or lock-up house, there to be imprisoned for any time not exceeding thirty days.

BY-LAW No. 10.

A By-Law to provide for the government and management, rates and rents of the water-works system, and collection thereof.

WHEREAS it is expedient that provision should be made for the government and maintenance of the water-works system of the Corporation of the City of Nelson, and to fix the rates payable for the use of water supplied by the Corporation, and for the collection and enforcing of payment of the same by making them a charge on the lands of the owners or tenants using the water, and for enabling the same to be recovered in the same manner as overdue taxes.

The Municipal Council of the Corporation of the City of Nelson enacts as follows:—

1. That the water rates and rents to be charged and payable by consumers for the supply of water to them within the limits of the city shall be those set forth in the schedule annexed hereto; that all water rates or rents shall become due and payable monthly, in advance, at the office of the Water Commissioner, on the first day of each month in each and every year, save and except water rates for building or other special purposes, which shall be payable in advance, when an agreement for the supply has been made at the Water Commissioner's office.

2. In no case shall a service be laid for a less annual rental than \$18.00.

3. The expense of connecting service with main to within twelve inches of the boundary of the lot on which the buildings are erected will be borne by the Corporation, and the work performed by it; but the expense of the distribution of water from twelve inches outside the boundary of the lot through such lot, houses, stores, offices, buildings or parts of buildings shall be borne by the proprietors, tenants or occupants.

4. That all plumbers' work connected with the water-works system with or contained in any lands, premises, house, store, office, building or part of building shall be done in a good and workmanlike manner, with first-class materials, sufficiently strong to resist the pressure of the water-works system and the water contained therein, and all cocks and other appliances used for the purpose of drawing off the water shall be made upon the compression principle, and shall be subject to the approval of the said Water Commissioner, or his duly authorised deputy, and should any such work or materials be not approved by the said Water Commissioner or deputy, or become out of repair, it shall be lawful for the said Water Commissioner or authorised deputy to turn off or refuse to turn on the supply of water; and no plumber or plumbers, their workmen or servants, shall be allowed to make any connection with the said water-works system for any purpose whatsoever, unless he or they shall have first received permission in writing from the said Water Commissioner to make such connection, on each and every separate occasion.

5. That it shall be lawful for the said Water Commissioner, whenever he shall deem it advisable, to compel the use of water meters by any consumer or consumers, and to refuse to supply water to any premises whatsoever, unless the person or persons requiring the water shall first sign an agreement to take, use and pay for such water according to the form provided for that purpose, that no water meter shall be used in connection with the water-works system by any person or persons, unless said water meter shall have been first authorised by the said Water Commissioner. Every owner, tenant or occupant shall give every facility for the introduction and protection of water meters placed upon their premises. That whenever any person or persons refuse to pay water rates or rents within the time specified in the said agreement for the water as registered by the water meter, it shall and may be lawful for the said Water Commissioner to cut off the supply, and also in every such case to collect the water rates or rents for the water supplied, as if no water meter had been used; and in all cases where the water meter indicates that no water has been used, it shall and may be lawful to charge and collect the same water rates as if no water meter had been introduced.

6. That in case of the non-payment of water rates or rents by any person or persons for ten days after the expiration of the day upon which the same shall have become due and payable, the said Water Commissioner, or his duly authorised deputy, may cut off the water supply from any lands, premises, house, store, office, building or part of building, upon which the said water rates or rents shall be due, and the water shall not again be turned on except upon payment of all arrears due, and the further sum of one dollar to pay for the expense of turning the water on and off.

7. That water shall be introduced into premises, houses, lands, stores, offices, buildings or parts of buildings, only upon the signatures of the owners or their duly authorised agents, who shall sign the proper application provided for that purpose.

8. That any person or persons lending, selling, giving or otherwise disposing of the water supplied by the said Corporation, or permitting the water to be taken or carried away for the use or benefit of others, or increasing the supply agreed for with the said Corporation, or wrongfully neglecting or improperly wasting the water, shall, upon conviction thereof, pay a penalty not exceeding twenty dollars, or in default shall be liable to imprisonment in the common gaol for a period not exceeding one calendar month, with or without hard labour.

9. That no additional tap or water cock shall be attached by any person or persons to any premises whatsoever without the permission of the said Water Commissioner first obtained for that purpose.

10. That all hose, jets and cocks used by a consumer shall be subject to the approval of the said Water Commissioner, or his duly authorised deputy, for the time being.

11. That no person or persons, except those duly authorised by the said Water Commissioner, shall tap

or make any connection with the main or other distribution pipes of the said water-works system in any manner whatsoever.

12. That all persons taking water shall keep their own service pipe and all fixtures connected therewith well protected from frost at their expense, and shall also keep in good repair, or replace by a new one when necessary, the compression cock placed by them at the termination of the service pipe.

13. That no application shall be entertained for water to supply any premises in respect of which water rates or rents, or the price of service extension are due to the said Corporation, until such indebtedness is paid. The water may be withheld from any person who is in arrears for water rates or rents until the amount due shall be paid, whether such person resides on the premises where the water was used for which he is in arrears or in any other premises where the water is supplied.

14. The turn cocks in or under the sidewalks or public streets are the property of the said Corporation, and any person or persons found tampering with them in any way will be prosecuted.

15. If at any time it shall appear that a wrong statement has been made of the number of rooms in a house or building for the purpose for which the water was to be used, or there has been any addition made to, or alteration in, the premises of any consumer or consumers, it shall be the duty of the Water Commissioner to make the proper correction forthwith.

16. No water rate or rent shall be charged for a less period than one month.

17. Any person or persons who may require water for building purposes shall make application in writing to the Water Commissioner, accompanied by an estimate of the number of bricks, cords of stone, yards of plastering, and yards of cement or concrete for which the water is required, and pay the water rates in advance upon such estimated quantities; and if more materials are used, or intended to be used, than that stated in the original estimates, the applicant or applicants shall pay the extra additional charges forthwith.

18. When statements are made of the quantity of water used, or to be used, the Water Commissioner may require the same to be verified by a statutory declaration.

19. The right is hereby reserved to suspend or stop the supply of water, by resolution of the Municipal Council, to all customers for use in fountains, or by jets, garden hose or sprinklers, or to limit the hours for using the same, whenever in the discretion of the said Municipal Council the public interest may require it.

20. The Water Commissioner may have the water shut off the premises of any person or persons not complying with any of the rules and regulations made by the said Municipal Council, and in cases where the water has been shut off for allowing waste or leaks, or defects in pipes or cocks, he shall refuse to turn it on again until he shall receive satisfactory evidence that the necessary repairs have been properly made.

21. That a register shall be kept, showing the name or names of the person, persons, partnership or corporate body to whom water has been from time to time supplied by the Corporation, the number of gallons, when known, used by each such person, persons or body corporate, the amounts payable therefor, and the dates when such payments became overdue.

22. That when any water rate due, or money payable for the use of water supplied by the Corporation, shall be overdue for a period of six months, a list of the said arrears, rates, dues or moneys payable, as aforesaid, shall be handed to the collector for collection.

23. That on receiving the said list, the collector shall forthwith serve upon or transmit by mail (registered) a notice containing a statement and demand for the rates due, or moneys payable, as aforesaid, to each person, persons or body corporate whose name appears on the list of arrears, or to the agent of such person, persons or body corporate, if absent, and such statement and demand shall mention the time when and the amount of such rates, dues or moneys are required to be paid; and the said collector shall enter the date of mailing such notice on the said list of arrears opposite the name of the person, persons or body corporate owing such rates, dues or moneys, and such entry shall be prima facie evidence of the mailing of the same.

24. That any person, persons or body corporate who, personally or by his agent in the city, shall have been served with, or shall have had such statement mailed to him, as aforesaid, neglects to pay the said rates,

dues or moneys payable for thirty days after demand, as aforesaid, the collector may, by himself or agent, levy the same, with costs, by distress and sale of the goods and chattels of the person, persons or body corporate who ought to pay the same, or any goods and chattels in his possession, or in the possession of any person for him, wherever the same may be found in the city. Notice shall be given by posters, posted up in at least three of the most public places in the city, and in three issues of one or more newspapers published therein, when and where the sale of goods and chattels distrained is to be made, giving at least eight days' public notice of the sale, and of the name of the person whose property is to be sold, and at the time named in the notice the collector or his agent shall sell at public auction the goods and chattels distrained, or as much thereof as may be necessary. And in all cases where goods and chattels are enclosed, or supposed to be enclosed, by doors or houses, barns or outbuildings, enpboards, or other closed places, whether enclosed by walls, fences, gates or otherwise, the seizing officer may open the same, or cause the same to be opened, in the presence of two witnesses, with all the necessary force to effect the said opening, and in all cases goods and chattels in and upon the premises in respect of which the rates, dues or moneys where the water has been used are due, shall be liable for the payment of the same.

25. That if the goods and chattels seized are sold for more than the whole amount levied for and the costs attending the seizure and sale, the surplus, on demand, shall be returned to the person, persons or body corporate in whose possession such goods and chattels were at the time seizure was made, and in case such surplus shall not be demanded, it shall be held by the collector, and remain in the hands of such collector, to be held for and paid over, on demand, to the person, persons or body corporate in whose possession such goods were, as aforesaid, or otherwise to the person entitled, as owner of said goods and chattels, to said surplus.

26. That if any of the rates, dues or moneys payable on the said list remain unpaid, and the collector is unable to collect the same, he shall show on the list when returned, opposite to each name, the reason why same could not be collected by adding the words "non-resident" or "not sufficient property to distrain," as the case may be.

27. The rates, dues and moneys payable, as aforesaid, shall be a special lien on such lands, goods and chattels, or in respect of which the water supplied by the Corporation was used and the debt incurred, having preference to any claim, lien, privilege or incumbence of any party except the crown, and shall not require registration to preserve it.

28. The Corporation may register with the Registrar of Titles all rates, dues or moneys payable on the land in respect of water used or supplied to owners or tenants thereon at the expiration of the fiscal year.

29. Nothing in this by-law shall be construed to make it obligatory on the Corporation to supply water continuously, but if the water is shut off for more than twenty-four hours at any one time, the Corporation will deduct from the accounts for water due an amount in proportion to the number of days during which the water is so shut off.

30. Any person, persons or body corporate, being dissatisfied with the accounts for dues owing by them to the Corporation for water used by them, shall, within the period of ten days after such account is mailed to them, give notice to the Water Commissioner, stating what items of such account are objected to by them, and in default of such notice being sent, as aforesaid, no complaint as to the incorrectness of the account will be entertained by the Water Commissioner.

31. The Water Commissioner, or his duly authorized deputy, shall have the right to enter premises where water supplied by the Corporation solely be used, at all reasonable times, for the purpose solely of inspecting and ascertaining whether the provisions of this by-law or any regulation made thereunder, are being duly observed by the person, persons or body corporate using such water.

32. Any person guilty of an infraction of any of the provisions of this by-law shall, on conviction before the Police Magistrate, or any two Justices of the Peace having jurisdiction over offences against the By-Laws of the City of Nelson, forfeit and pay a penalty, in the discretion of the Police Magistrate or Justice of the Peace convicting, not exceeding one hundred dollars and costs for each offence, and in default of payment thereof it shall be lawful for the Police Magistrate or

Justice of the Peace convicting as aforesaid to issue a warrant under his hand and seal to levy the said penalty and costs, or penalty or costs only, by distress and sale of the offender's goods and chattels, and should there be no sufficient distress to satisfy the said penalty and costs, or penalty or costs only, it shall and may be lawful for the Police Magistrate or Justice of the Peace convicting to commit the offender or offenders to any lock-up house in the said city, or in the Provincial Gaol, for any period not exceeding two months.

33. This By-Law may be cited for all purposes as "Water Works By-Law, No. 10, 1897."

VERNON CITY BY-LAWS.

BY-LAW No. 36.

A By-Law to authorise the sale of lands within the Corporation of the City of Vernon for unpaid taxes.

WHEREAS it is expedient that all lands or improvements or real property within the limits of the Corporation of the City of Vernon upon which municipal taxes remaining unpaid at the date of the passing of this By-law shall be sold and the proceeds applied in the reduction or discharge of such taxes.

Be it therefore enacted by the Mayor and Municipal Council of the Corporation of the City of Vernon as follows:—

1. The Collector of the Corporation of the City of Vernon is hereby authorised and directed whensoever taxes on any lands or improvements or real property have been in arrears for two years preceeding the passing of this By-law to prepare and submit to the Mayor of the said Corporation lists, in duplicate, of all lands or improvements or real property liable, under the provisions of this By-law, to be sold for taxes. Such lists shall be scheduled in separate columns (1) showing the amount of taxes unpaid up to the date of the passing of this By-law; (2) the Collector's commission of four per cent. and contingent expenses of sale, and (3) showing the total amount of taxes and costs for which the property is liable to be sold; and the Mayor shall authenticate such lists by affixing thereto the seal of the Corporation and his signature; and one of such lists shall be deposited with the Clerk of the Corporation, and the other shall be returned to the Collector with a warrant thereto annexed, under the hand of the Mayor and the seal of the Corporation, commanding him to levy upon the lands or improvements or real property for the arrears due thereon, with his commission and the contingent expenses of sale.

2. It shall not be the duty of the Collector to make any inquiry before effecting a sale of lands or improve-

ments or real property to ascertain whether or no there is any distress upon the lands or improvements or real property, nor shall he be bound to inquire into or form any opinion of the value of the land or improvements or real property.

3. The Collector shall cause a copy of the list, prepared and authenticated as aforesaid, to be printed for a period of one month preceeding the date of such intended sale in some newspaper published within the Corporation of the City of Vernon.

4. The advertisement shall contain a notice that unless the arrears of taxes, commission and expenses are sooner paid he will proceed to sell the lands, improvements or real property for the taxes on a day and at a place named in the advertisement.

5. The Collector shall, at least one month before the time of sale, either deliver to the owner, or agent of the owner, a notice in writing stating the amount of taxes due and the amount of commission and contingent expenses of sale, and the total amount for which the property is liable to be sold, and that the property is to be sold for arrears so due as aforesaid, or shall deposit a registered letter in the Post Office, addressed to the owner or his agent, containing a like notice; and in case the address of the owner or his agent is unknown it shall be sufficient if the same time before the sale the like notice be posted upon any part of the land intended to be sold, and at the Post Office and the Court House within the City of Vernon.

6. The day of sale shall be the thirty-third day after the first publication in a newspaper of such list, exclusive of the day of such publication, except in case the said thirty-third day shall fall on a Sunday or a holiday, in which case such sale shall take place the following day. The sale shall be held at the City Clerk's office, in the City of Vernon, and shall begin at ten o'clock in the forenoon.

7. If at any time appointed for the sale of the lands or improvements or real property no bidders appear, the Collector may adjourn the sale from time to time.

8. If the taxes have not been previously collected, or if no one appears to pay the same at the time and place appointed for sale, the Collector shall sell at public auction so much of the land or improvements or real property as may be sufficient to discharge the taxes and all lawful charges incurred in and about the sale and the collection of the taxes, selling in preference such parts as he may consider best for the owner to sell first; and in offering such lands or improvements or real property for sale it shall not be necessary to describe particularly the portion of the lot or section which is to be sold, but it shall be sufficient to say that he will sell so much of the lot or section as may be necessary to secure the payment of the taxes due and the commission and expenses of sale, and the amount of taxes stated in the advertisement shall in all cases be *prima facie* evidence of the correct amount due.

9. If the Collector fails at such sale to sell such land or improvements or real property for the full amount of arrears of taxes due and commission and expenses, he shall at such sale adjourn the same until a day to be publicly named by him, not earlier than two weeks nor later than four weeks thereafter, of which adjourned sale he shall give notice by advertisement in the newspaper in which the original notice was advertised, and on such day he shall sell such lands or improvements or real property for any sum he can realise.

10. If at any sale held pursuant to the last preceeding section of this By-law no one bids the full amount due upon any lands or improvements or real property offered for sale, then it shall be lawful for the Corporation of the City of Vernon to bid the full amount due, and such bid shall be accepted by the Collector as full payment of such arrears of taxes, commission and expenses, and the Corporation thereupon shall be declared to be and shall be the purchaser of such lands or improvements or real property.

11. If the purchaser of any lands or improvements or real property fails to pay immediately to the Collector the amount of the purchase money, the Collector shall forthwith again put up the property for sale.

12. Immediately after every sale the Collector shall return a list of the arrears satisfied by such sale to the Clerk of the Corporation, and shall at the same time pay in the proceeds to the Treasurer of the said Corporation.

13. The Collector shall be entitled to four per cent. commission upon the sums collected by him as aforesaid.

14. This By-law may be cited for all purposes as the "City of Vernon Tax Sale By-law, 1897."

Passed by the City of Vernon Municipal Council this 7th day of June, 1897.
Reconsidered and finally passed this 14th day of June, 1897.
Signed and scaled.
